The Update

Reflection Card — Element Two: Adaptability

“You do not need to become someone new. You need to become an updated, full version of yourself.”

A NOTE ON THE WORD GRIEF

In this course, *grief* means any significant loss or setback — not only bereavement. It arrives through divorce, retrenchment, a diagnosis, a door that closed, a future that isn’t coming. However yours arrived, it counts here.

ONE RULE FROM MY OLD OPERATING SYSTEM

Name one rule, habit, or assumption you have been running on that no longer fits the world you are now in. It was not broken — the world changed around it.

ONE DELIBERATE ADAPTATION

Adapt — actively, deliberately, with intention — or simply endure. One update, however small, you could make this month by choice.
