Before the Next Storm

Reflection Card — Element Four: Support

“The network that holds you in a storm is built in the ordinary season. Start building it now.”

A NOTE ON THE WORD GRIEF

In this course, *grief* means any significant loss or setback — not only bereavement. It arrives through divorce, retrenchment, a diagnosis, a door that closed, a future that isn’t coming. However yours arrived, it counts here.

MY NETWORK MAP

Three to five names — and what each person actually carries. Different people carry different things; no single person carries everything.

THE SENTENCE THAT SAYS WHAT I ACTUALLY NEED

Write it as you would say it aloud, to one of the names above. Support flows in both directions, or it does not flow at all.
